Curly Locks Gourmet Food was born several years ago after a bumper crop of home-grown peppers and a friend's double dog dare. What started as a home kitchen-based business for family and friends now supplies products all over the country.

We take pride in the fact that our products are all-natural with no fillers, colors, additives, or preservatives added — and most of our products are gluten free.

With our products the home chef can turn every meal into a healthy gourmet meal.

Hand Crafted Product Features:
